MICROSOFT WINDOWS 2003 (MCSA)

**Microsoft**  
IT Academy Program

---

**Program Length: 29 Weeks**

**Certification Path: A+, MCP, MCDST, MCSA**

The Willis industry-leading Network Administrator Diploma Program is designed for someone who wishes to start a career in the Networking Field. Become certified in A+, as a Microsoft Certified Professional (MCP), as a Microsoft Certified Desktop Support Technician (MCDST), and a Microsoft Certified Systems Administrator (MCSA). Bill Ross, Co-chair of the Canadian Information Processing Society's (CIPS) certification Council, "before you even get to the interview process, you must have certain certifications under your belt". According to Certification Magazine, certification is viewed by the IT industry as something essential, a way of maintaining a degree of currency. SITEL - Ottawa, a leading corporation, says "from their past hiring experiences, Willis College has stood out amongst the rest of the trainers in the Ottawa Carlton Area. We look first to Willis graduates when hiring". **Career opportunities** include: Network Support Specialist, Helpdesk Support, Technical Field Services Representative and Network Administrator.
