

Announcement

Willis College of Business, Health and Technology, Canada's leading Private Career College, is privileged to announce the appointment of Professor Akbar Manoussi as the Chair of Clean Energy Education Department.

Manoussi is a Business and Management professor who has taught for the past 25 years at both, University of Ottawa and Carleton University. He received his undergraduate honours degree in Economics and Law from Tehran University, Iran in 1970. His post graduate degrees were in Applied Economics in 1973 and Management Sciences/Production Operation Management in 1978, both from University of Waterloo.

As an established business professor with extensive experience in applied management and business he has been able to provide business models and solutions to selected clients with regional, national and global markets.

As the Chair of Willis College Clean Energy Education Department, Professor Manoussi will provide strategic input into the clean energy education direction of Willis College.

- President of "Green Party of Canada", Ottawa-Vanier
- President of "Canadian Higher Education Corporation", professional management programs.
- Chair of Public Relations for the largest Islamic Centre – has made significant contributions by building bridges of friendship and mutual respect among the faith community in Ottawa.
