

Announcement

Willis College of Business, Health and Technology, Canada's leading Private Career College, is privileged to announce the appointment of Dr. Valerian Tibu as the Chair of the Business Education Department.

Dr. Tibu has earned PhD in Mathematics and enjoys more than 15 years of academic and professional experience in risk management, mathematics, economics and finance. He holds the designation of Professional Risk Manager granted by the PRMIA. Dr. Tibu has a distinguished teaching career as a professor at University of Ottawa, University of Oradea (Romania), University of Orleans (France), Algonquin College and Willis College (Ottawa).

He received an honours BA in Mathematics from University of Bucharest (Romania), his MA in Economics in Finance from University of Orleans (France) and a PhD in Mathematics from University of Bucharest. He is also a graduate of the College of National Defence (Romania) with a concentration in strategic management

As the Chair of the Willis College Business Education Department, Dr. Tibu will provide strategic support in adapting business programs to today's needs in Accounting, Finance, Marketing and Communications.

His professional experience includes:

- Advisor to the President of Romania;
- Deputy Minister for Bihor jurisdiction, Romania;
- Steering Committee member, Professional Risk Managers' International Association;
- Manager of international projects in Finance, Applied Mathematics and Risk Management;
- Invited speaker at many international conferences, seminars and workshops.
