

WILLIS COLLEGE

WHAT IT IS Organization Mandate

Since 1896, Willis College has secured a reputation as one of the best colleges in Ottawa dedicated to serving our community and committed to skills training excellence. Today, Willis College continues to lead and adapt in employability skills training and, as one of the top colleges in Ottawa, is suitable for the ever-changing and emerging demands in the labour market.

WHAT THEY PROVIDE Key Programs & Services for Job Seekers

PROGRAM DESCRIPTION	Contact:
<p>Post-Secondary Institution - A private career college with campuses in Ottawa, Smiths Falls, and Arnprior, offering programs in business, technology and healthcare. To be eligible for admission you must have a minimum of an Ontario Grade 12 education or have mature student status (18 years old and over) and must pass an entrance assessment test.</p>	<p>Ottawa campus 613.233.1128 inquiries@ottawa.williscollege.com</p> <p>Smiths Falls campus 613.283.1905 inquiries@smithsfalls.williscollege.com</p> <p>Arnprior campus 613.623.1114 inquiries@arnprior.williscollege.com</p>
<p>Advanced Network Security Professional (ANSP) - Canada’s first employer driven, government approved and industry recognized diploma program leading to full-time, well-paying local jobs through hands on network administrator courses. Developed in partnership with Fortinet to address the skills shortage in Cyber Security in Ottawa and North America. Fortinet has employed many Ottawa graduates of our program, and intends to hire many more in the coming years.</p>	
<p>Network Security Professional - Offers practical, hands on IT training through our partnership with Fortinet. Working with Fortinet, we have developed a registered IT training and network administrator college diploma program. Students get hands on experience in our Fortinet lab hardware and applications, industry leading certifications from Fortinet, training for the CompTIA and CCNA certifications – among many others – and an exclusive job interview with Fortinet Ottawa and other leading security companies such as Check Point, Nova Networks and more.</p>	
<p>Personal Career Training - Career Services provides career training to assist students and graduates in finding co-op placements and secure jobs in their field of study by working with employers. Our Career Preparation program given to all students involves a series of seminars designed to prepare them for the job marketplace. Willis also provides customized IT staffing solutions to employers.</p>	<p><i>Marketing & Placement Coordinator</i> Anthony Seed 613.233.1128 Anthony.Seed@williscollege.com</p>
<p>Courage To Soar Program - A partnership with Minwaashin Lodge, offers training and career development opportunities in Office Administration for Aboriginal women who are survivors/at risk of domestic violence. Willis College includes a 4-week “transition to academic learning” module. Eligibility Criteria: First Nation, Inuit or Métis women, over 18 years of age.</p>	<p><i>Education Manager</i> Jodi Jaffray 613.233.1128 jodi.jaffray@williscollege.com</p>
